

# Create Your Own Star Studded Event & Make Your Guests VIP's With An Oscar Party Bash That Will Be Talked About For Years To Come!

Recreate the glitz, glamour and the excitement of Hollywood at your event. Imagine your guests being announced with fanfare trumpeters as they walk up the red carpet while paparazzi swarm them trying to get photos!

Once inside, your guests will starstruck as they are transported back in time to meet and take pictures with the legendary Marilyn.
